### **Contracted Providers Payment Requirements**

- Copy of signed contract needs to be emailed to the FFS Unit Managers who will distribute to all Regional Accounting offices. Each Regional Accounting Office will complete a yearly PO for the provider in their region.
- Along with the signed contract, Regional Accounting will need a W-9 to ensure the provider is set up correctly for payment and for 1099 filing purposes, and the E-Verify form for federal reporting purposes.

### **Payments for the Contracted Providers**

- Payments are made based on the client's county of residence
- The sign-in logs will need to be attached to the invoices when submitted for processing
- Since there is a signed contract and a yearly Purchase Order for these services, the supervisor's signature approving the monthly invoices for payment is acceptable. Ensure that the UAS program, entitlement code and number of clients to be accounted for are listed on the invoice.

**NOTE:** The use of Gift Cards, Gas Cards or Bus Passes are acceptable as long as the counties are adhering to the TANF Gift/Gas Card Policy and submitting the tracking logs months.

**NOTE:** Checks or Direct Deposit may be made to the client in ADVANCE, if the caseworker has approved for the purchase of certain allowable expenditures but it is the responsibility of the case manager to obtain original receipt from the client and return them to the Regional Accounting offices to attach as backup to the check copies if applicable. (Policy 1830-2)

### **Client Related Services paid to the Client**

- Support Service Issuance Detail Screen Print will be used in lieu of an ADPOR and no PO is needed, the SSID Screen Print must contain the following information:

  - If the case manager does not sit in the same office, they can scan all supporting documentation (SSID Screen Prints, invoices, statements and receipts) to their supervisor for approval. Supervisor will mail on to the appropriate regional accounting office.

## **Client Related Services paid to the Vendor**

- All expenditures being paid directly to a vendor must have a Purchase Order completed IN ADVANCE. The case manager, with a cc to their supervisor, can send an email to the Regional Accounting FOM and Direct Benefits Supervisor to request the issuance of a purchase order.
- Regional Accounting will create a Purchase Order within 1 business day, then they will scan the purchase order back to the case manager and supervisor. It will be the responsibility of the case manager and supervisor to obtain the appropriate signatures on the purchase order. The purchase order must be attached to the invoices when submitted for payment.
- A W-9 is required of all first-time new vendors in order to set them up in our SMILE system. If this is received in advance, it will speed up the process for reimbursing our vendors.

NOTE 1: Quotes/Declaration Statements can be used for payment of vehicle insurance, but it is the responsibility of the case manager to obtain **an original receipt** from the agent and return it to the Regional Accounting offices to attach as backup to the check copies.

NOTE 2: Estimates should be obtained to determine the most cost-effective vendor to use but are not used to make payment. Payment cannot be made until the services are completed.

**General Payment Questions:**

- Payments should be processed within 5 days from arrival in the regional accounting office, if they have all appropriate documentation and it is accurate; and if the client/vendor is already set up in our system. If not, then you must allow for an additional two business days.
- If the client or vendor is set up on Direct Deposit, you must also allow for three business days after processing for the funds to post to the client/vendor's account.
- Because all payments are made per client, and clients are tagged to a specific county/region in SMILE, we must pay the invoices according to the county of residence of the client.
- Emergency check request, all approved paperwork will need to be faxed/scanned to the Fiscal Operations Manager and Direct Benefits Supervisor for processing. The check will be released once the Case Manager or Supervisor hand delivers the original documents.
